

Dear parents and children,

I am organising the third annual Bliss Poetry Jam on Tuesday 30th June. It was a fantastic community event last year so please put the date in your diary. Weather permitting, we will hold it in the back playground again from 5pm onwards. Please come along with your picnic and enjoy some fabulous performances!

The jam will follow roughly the same format as last year, with individual performances being interspersed with a group performance from each class. Children can perform either their own their own poem or one of their favourite poet's. Emphasis is on performance, so children who sign up to perform will be expected to stand up at the microphone having practised their poem, preferably from memory. They can perform either on their own, in a pair or in a small group, but it should be a polished performance! A new addition for this year: collaborations with parents. We would love for you to perform alongside your child/children.

Please could you discuss with your child whether they would like to perform at this event and then fill in the slip below. The deadline for entries is Friday 19<sup>th</sup> June.

If there is enough interest, I will order some more Bliss Poetry Jam t-shirts. The cost of these will be approximately £7. Please indicate below if you are interested in purchasing one so I can decide whether to go ahead with ordering - the colour of this year's logo will be different!

Many thanks,

Miss Thompson
